

Now that you have an instant funding account, you can login to instant funding and get the account details to sign up for the AI services

Login on the following link, or you can navigate to instantfunding.io website

<https://hub.instantfunding.io/en-US/sign-in>

Once you have logged in, go to the left menu and click on **accounts**. (Its the second option from the top. It has a picture of a person in a square)

You will then see the accounts that you have signed up for. You can then click on **Dashboard**

 Dashboard

You will then see on the far right as you scroll down, the **trading account details**, we will need this, when you sign up for your AI VPS server on our website. Fill these details into our website when you sign up for our services.
